### Court Sends True Finding on Juvenile Case 602 Case Order Notification (DSP915)

#### Exchange Description

Trial courts use this NIEM-based data exchange to send an order of true finding on a juvenile delinquency case to an integration partner when this action has been ordered by a trial court.

- The notification message from the trial court contains true finding information (e.g., allegations and finding).
- No response message is sent by the integration partner upon successful receipt of the true finding on juvenile case order notification. Successful delivery of the notification message is assumed unless an error in delivery or processing by the integration partner occurs.

#### Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

#### Error Handling

If the integration partner does not successfully receive and process the incoming message, the trial court will receive an error message with an error code and error reason.

#### PROBABLE INTERESTED INTEGRATION PARTNERS

- Attorney General
- District Attorney
- Law Enforcement Agency/Sheriff
- Probation

#### RELATED EXCHANGES

Related data exchanges are preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- There are no related exchanges.

For more information about this and other data exchanges, contact [integrationpartners@jud.ca.gov](mailto:integrationpartners@jud.ca.gov)

### **Additional Information**

- A single exchange message is sent for each juvenile case order notification.
- The only allowable response to this exchange is an error message that may occur after receipt and processing by the integration partner. The error response message must be sent as a separate message using the error format defined in this exchange.
